

Fabulous, newer four bedroom, three and a half baths, Arts and Crafts home sitting on a knoll between Kenilworth and Beaucatcher Heights. Long range views from the screened porch with a view of the fenced yard with raised beds and Southern exposure. Conditioned lower level has 910 sf above grade on three sides and affords an additional potential finished space for the next owner. This home has a two-car garage, storage, style and a convenient location!

Newer Home in Kenilworth
